BEACH IMPROVEMENT—This plan, prepared by the City Planning Commission on request of the Ocean Beach Chamber of Commerce, shows the proposed development of the beach area here. There is a large parking area between Newport and Niagara Aves., and other parking facilities. Between Long Branch and Brighton is a picnic area. Landscaping, including trees, is called for. The plan has been approved by the local Chamber, according to President Harry La Dou. It requires approval by the Planning Commission and City Council to be included in the master plan.

HERE'S the POINT

By SPENCE HELD

Well, it does seem that the President of the United States, slowly recovering from a heart attack, shouldn't be disturbed by a blankety-blank helicopter carrying a couple of oafs with a TV camera.

I was irked by the episode but not surprised. It followed the pattern established long ago by such New York tabloid newspapers as the (porno) Graphic and the gossip columnists and brought to full flower in the Hollywood brand of journalism.

The classic example of invasion of a man's privacy, of course, involved Charlie Lindbergh.

When he flew from San Diego to St. Louis to New York to Paris in 1927, he was shy and modest but friendly to reporters . . . When I encountered him here later, he was still friendly and approachable.

Then what happened? He married Anne Morrow, and on his wedding night, spent aboard a boat on an eastern lake, a bunch of New York reporters and cameramen circled his craft all night, illuminating it with searchlights.

* * *

Later, the Lindbergh baby was kidnaped—and New York "journalists" undoubtedly hampered the search. The baby was murdered; and the Press pack was off in full cry after the Lindberghs.

One day, as their other child was being driven home from school, an auto forced the Lindbergh car to the curb. A goon with a camera jumped onto the running board and took the kid's picture. He was terrified, naturally.

That's when Lindbergh decided he'd had enough, and moved to England . . . Along about 1940, when he flew to San Diego to inspect Convair for the Army, I was supposed to interview him for my paper. Heck, I couldn't get within 50 feet of him. He'd had it, brother.

* * *

Speaking of cameramen, I'll never forget the opening night of a play in San Diego—this was before flashbulbs and Speed Graphics—when a guy who looked like Snuffy the Cabman shambled down the aisle with his unwieldly equipment. He set up his tripod and took dead aim at the stage.

BOOM!

His flash powder exploded with a roar that rocked the auditorium. The cast scattered like quail; the audience, as I remember, was somewhat annoyed.

* * *

Back in the 1930's one of the San Diego sheets had a deaf photographer. It was no handicap—he'd walk into a courtroom where the judge had just ordered "No pictures," and calmly blaze away at the blonde on the witness stand.

Then he'd walk out, unchallenged.

Once, however, his technique backfired. Covering a pitched battle in Tijuana between an armed mob and a detachment of soldiers, he was ordered not to take any pictures.

So he stood there in the street clicking his camera while bullets whistled overhead and an occasional Mexican bit the dust.

A soldier with a bayoneted rifle walked up behind him and jabbed.

Yipe!

'MISS COOKIE' TO BE CHOSEN FROM PENINSULA GIRL SCOUTS

"Miss Cookie for 1956" will be a Girl Scout from the Peninsula area, Mrs. Harold C. Smith, Girl Scout District V chairman, announced today.

"We've been waiting for this honor for 8 years," Mrs. Smith said. "Each year the San Diego Council of Girl Scouts draws to see which district will have Miss Cookie. We finally got it."

To determine the Girl Scout who will be Miss Cookie, the name of a Neighborhood group will be drawn by a member of the District V committee. Intermediate or Senior Girl Scout troops in that Neighborhood will submit names and snapshots of their candidates. From this group 3 to 5 candidates will be submitted to the Girl Scout Public Relations Committee, which makes the final selection.

District V is composed of four Neighborhoods: Loma Portal School which also includes George Dewey and St. Charles; Silver Gate School which includes Sunset View, Cabrillo and St. Agnes; Chatsworth Neighborhood which includes Dana and Point Loma; and Ocean Beach School which includes Sacred Heart.

Miss Cookie will speak at the Girl Scout Council annual meeting in January, and will open the annual Girl Scout Cookie Sale Feb. 18-25. She will make personal appearances throughout the county and speak on radio and TV shows. Her photograph will be on promotion posters and will eventually take its place in the Miss Cookie Hall of Fame at Girl Scout headquarters.

Candidates for Miss Cookie are chosen on the basis of Scouting background, scholarship, availability and photogenic qualities.

Point Loma To Play San Diego High

Victorious over Mission Bay, Point Loma High School's football team will go after the big one—San Diego High—tomorrow at 8 p.m. in Balboa stadium.

San Diego's perennial champions are favored, naturally, but the Lomans could knock them off if they play like they did against Hoover's powerhouse last year.

If the locals are fired up, and if they get the breaks, Bill Harvey's passes to end Fred Jones could mean the difference. In the last analysis, however, it's probably up to the Loman line. Blocking and tackling are the most important aspects of any football game — and nobody knows it better than Hil Crosthwaite, local line coach.

Head Coach Bennie Edens had the satisfaction last Friday of watching his boys bounce Mission Bay, 14-6, at La Jolla. Harvey was throwing them well, as usual, and Jones caught a couple for touchdowns. Roy Kennedy did some nice running for Point Loma.

In the line, Nick Verdusco stood out, as before. Louis Valderama at defensive end looked good.

WOMEN'S DOORBELL CAMPAIGN GETS RESULTS ON PENINSULA

The United Success Drive doorbell campaign got under way in earnest this week.

In the Peninsula area, campaigners headed by Mrs. Harley C. Greaves, 4382 Piedmont Dr., reported Monday night that they had raised $4,337 the first day—or 16.1 percent of a $26,781 quota.

This area was said to rank fourth in percentage of quota raised Monday. In front were Clairemont, 34.6 percent; Linda Vista, 26.4; Hillcrest-Mission Hills-Mission Valley-Middletown, 20.6.

Total raised throughout the city Monday was $22,229 toward the goal of $120,500. This reached $37,112 Tuesday, it was reported.

Peninsula women stepped out in force Monday to begin their block-by-block campaign. Some hired baby-sitters to watch their children while they made their rounds. Others took their youngsters along with them.

Mrs. Walter B. Broderick, geographic division chairman, pointed out that campaigners are not always fortunate enough to find people home and that making call-backs consumes considerable time. This factor extends the residential drive beyond the two days in which the women had hoped to complete their doorbell campaign.

Mrs. Broderick urged those wishing to contribute to the drive, who have not yet been visited, to call the Community Chest, AC-3-7191, and arrange a time when their donation may be picked up.

She Needs Blood

By MARIAN KRETTLER

Mrs. Al Munchiando, "Daisy" to those of Ocean Beach who know and love her well, needs blood following expensive surgery. She has already received several pints of the precious fluid but more is required.

Daisy is a very special person, not only active for the betterment of Ocean Beach, but the kindest person living when it comes to hurrying to the aid of those in distress. Now, she is in peril unless blood reinforces her depleted store.

That roused this writer to consider the difficulty of securing blood. You never know when that same condition may come to one of your loved ones, so this is an urgent appeal to you, who are acceptable, to call the S. D. Blood Bank, CY-6-6393, and make an appointment. The facility is closed Sunday and Monday, but it also needs blood donors. Everyone of Daisy's friends who can do so is answering her appeal, but that is not enough.

Local Chamber Meets Oct. 25

Election of the 1956 board of directors will feature a general luncheon meeting of the Ocean Beach Chamber of Commerce Tuesday noon, Oct. 25 at the Kiwanis Youth Center, Santa Monica Ave. and Ebers St.

All members are urged to attend and vote for the candidates of their choice.

Harry La Dou, Chamber president, said that a complete report on 1955 activities to date will be given.

Tickets are $1.50 and may be obtained from Chamber directors or John Pierce, secretary, 1918 Bacon St.

Homecoming For PLHS Set Oct. 21

Friday, Oct. 21, is the date for Point Loma High School's annual Homecoming celebration.

Alumni and students are expected to attend the football game with traditional rival La Jolla at 2:30 p.m. at Ross Field. The Homecoming queen, attended by her court, will be crowned between halves.

"Fantasy," this year's theme, will be presented by the Lomanettes, band, song and cheer leaders.

The theme also will be carried out at the dance in the girls' gym, set for 8 to 11 p.m. Music is to be provided by the King's Men. Alumni are welcome—they are asked to make telephone reservations in advance with Mrs. Jean Wood, dean.

Attention Parents!

Self-reliance, dependability and confidence come to boys who meet the public. This opportunity can come to your boy—there may be a Peninsula News route open in your neighborhood. Call George Meenes, circulation manager, AC-3-3156.

Homer's Observes 10th Anniversary

Homer's Variety Store, 4871 Newport Ave., will observe its 10th anniversary with a six-day celebration beginning tomorrow, Oct. 14.

There will be 5000 free balloons on sticks; a variety of "Birthday Specials," and an outstanding selection of Halloween costumes, it was announced.

Homer's has a new optional self-service system whereby customers may wait on themselves or ask clerks to assist them. New store hours are 9 a.m. to 6 p.m., while on Fridays the hours are 9 a.m. to 9 p.m.

"We are doing everything possible," it was said, "to offer the highest quality merchandise at the lowest prices by keeping abreast of the latest merchandising methods."

SURFING CLUB FORMED HERE

In anticipation of an exceptional winter surfing season, the new Sunset Cliffs Surfing Club was formed Monday at the Ocean Beach Community Center.

Bud Caldwell, 3864 Coronado, organized the group. He was assisted by Jim Richards, 4544 Saratoga, and Rod Guest.

Sanctioned by California Western University, the club operates off the university campus on the western slope of Point Loma. The club will have monthly meetings, Richards said.

UN Anniversary To Be Marked By Women Voters

Birthday parties marking the tenth anniversary of the founding of the United Nations are being planned by members of the Pt. Loma units of San Diego League of Women Voters, according to Mrs. John Atwood, chairman.

Members are inviting friends to join them in watching League sponsored television programs at 2:15 p.m. on Wednesday, October 19, and Friday October 21, over Channel 10. After watching the programs, which will highlight the United Nations Technical Assistance program, the groups will discuss the work of the UN.

Anyone who wishes to attend the League party in her neighborhood is invited to telephone Mrs. Lyle Read, AC-2-5600, or Mrs. Paul Farrar, AC-3-6605.

Grand Opening

Grand opening of Silver Stores, "Home of Fine Fabrics," in Ocean Beach, is set for tomorrow, Oct. 14. The store is at 4857 Newport Ave., next to the postoffice. Fred Hamber, owner, has another store at 7809 Broadway, Lemon Grove.

An Adult Education class in Civil Service Review is being offered at Pacific Beach Junior High on Tuesdays and Thursdays from 7 p.m. to 9:30 p.m.

Newcomers' Club Meeting Today

Forty women were expected to attend the first luncheon meeting of the Newcomers' Club at noon today in the Bali Hai restaurant on Shelter Island, according to Mrs. Donald K. Sloper, hospitality and social chairman.

Sponsored by the Welcome Wagon of the Peninsula area, the club was originated for women new in this area to help them get acquainted and to learn something about San Diego, Mrs. Sloper said.

The club will meet once a month for luncheon, sightseeing or other activities. This is the first Newcomers' Club in San Diego.

O. B. Kiwani-Annes 15th Anniversary

Ocean Beach Kiwani-Annes will celebrate their 15th anniversary Tuesday evening, Oct. 25, at 6:30 o'clock in the Ocean Beach Woman's Clubhouse. The meeting was originally scheduled for Oct. 18.

Mrs. Heber Hartivigsen, the club's first president and guest speaker for the evening, will discuss the highlights of the club's past history from its first meeting in her home on Oct. 21, 1940 to the present.

Mrs. Hazel Allen, program chairman, will introduce Mrs. Hartvigsen. Honored guests will include charter members and past presidents.

HOBO DINNER SATURDAY

Women of the Moose, Ocean Beach Chapter 1095, will hold a hobo dinner Saturday, Oct. 15, beginning at 6:45 p.m. in the lodge hall. All members and their guests are invited. Jeans and calico or hobo attire will be in style; entertainment by a western band.

Business boomed throughout California during the second quarter of 1955, according to Robert E. McDavid, Fourth District Member of the State Board of Equalization. Record breaking automobile sales plus a substantial improvement in business generally pushed retail sales to an all-time high, McDavid said.

"The Facts Of Life" To Be Discussed At Dewey PTA Meet

Dr. George V. Hall, assistant superintendent of schools, will discuss "The Facts of Life" at the second meeting of Dewey School PTA Tuesday, Oct. 18 at 7:30 p.m. in the auditorium.

His subject has interesting possibilities and should furnish some fine material for other discussion groups.

Fifth grade mothers, under direction of Mrs. Virginia Stratton, will be hostesses. There will be a flag presentation by Cub Pack 30. Child care will be provided, as always.

"We wish to thank the sixth grade mothers for the surprise birthday cake which was presented to Miss Mary A. Widmeyer, second grade," the PTA stated.

CARELESSNESS ON HIGHWAY CAN BE FATAL!

Don't be careless!

This warning was sounded by the San Diego Traffic Safety Council as October highway fatalities continued to mount.

With the first month of school completed, many drivers are forgetting to watch out for school children in the morning and after-school hours, Ronald T. Strong, Council president, said.

"Like anything else," Strong added, "we are very alert to the original signals of danger but then we get careless. Carelessness at the wheel and in walking can mean injury and death. Please renew your pledge of driving carefully and drive so you and the other fellow may survive."

Strong also pointed out that the days are getting shorter and car lights should be turned on at the first hint of dusk. Proper car lighting and careful driving will go a long way in reducing accidents, he said.

The California Highway Patrol made 150,162 arrests for speeding during the first seven months of 1955, reports the National Automobile Club.

Loma Council PTA To Meet October 28

Loma Council Parent-Teacher Association will hold its first meeting of this school year on October 28, at George Dewey Elementary School.

Coffee hour is 9 to 9:30. A brief business meeting, to convene at 9:30, will be followed by discussion of "A Report on Our Children's Health," by a medical doctor and a dentist. A question period will follow, "and should help clarify many current doubts and fears in such fields as floridation, the Dental Clinic, polio shots and children's health in general," it was said.

The meeting will adjourn at 11:30. The Dewey PTA members are to be hostesses.

It is hoped many PTA members will take advantage of this opportunity. Your Parent Teacher Association membership card in the local elementary schools, Ocean Beach, Silvergate, Sunset View, Cabrillo, Loma Portal, George Dewey, Frontier or Fremont automatically makes you a member in Loma Council, and eligible to attend regular meetings.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Even a mildly intelligent canine knows enough not to bite the hand that's feeding him.

* * *

But it appears many federal, other government workers are unaware of this fact, because they are now owning and operating discount retail outlets.

* * *

C. W. Harder

This project apparently started in Los Angeles where federal government workers started a business called FEDCO. This venture into socialism now operates 3 stores covering 160,000 square feet, employs 160, did a $10 million business last fiscal year.

* * *

In fact, FEDCO even has its own private brands, selling among other things, its own brand of bourbon known as "Old FedCal."

* * *

In addition, Los Angeles city and county, as well as state employees operate an organization called MORE doing about $7 million per year. Similar operations have been opened in Northern California.

* * *

Everything from fresh cut flowers to furniture and heavy appliances are sold in these stores, including of course, the government worker's own brand of booze "Old FedCal." To trade in these outlets and get the discounts offered government workers must show cards which indicate they are government workers, just as Russia card card carrying communists show their cards to receive special benefits in buying.

Thus, those who are supported in a large part by taxes paid by American retailers and wholesalers operating in the American free economy, are seeking to sabotage the people and system that pays their salaries. At same time, through Washington lobbies, they try to "boot-jack" these same taxpayers for higher wages and benefits.

* * *

The time has long since passed when government employment can be considered low paid. In addition to good pay schedules, there are paid vacations, annual sick leaves, other benefits.

* * *

It is also interesting to note there are so many federal employees in Southern California it is possible for them to support a private department store chain as well as their own private brand.

* * *

This well illustrates sickness that stalks the land.

* * *

Wonder over Russian intentions, fuss raised over loyalty oaths, similar matters, pale into insignificance beside this fact.

* * *

Government workers have turned their backs on private enterprise to embrace socialism. Today it's a buying commune, tomorrow it may be a social commune, following day a political commune, and following day is anybody's guess.

* * *

Russian pattern is followed in other ways, too. In Russia communism was promoted by least productive element, those who made little, if any contribution to the economy.

* * *

In U. S. socialism is being promoted by government workers.

Parakeet Banding Regulations Recommended By Advisory Group

BERKELEY—Regulations for a parakeet banding program designed to control the spread of parrot fever in California were recommended by the Pet Bird Advisory Committee to the State Health Department.

Because of a rise in the incidence of parrot fever (psittacosis) in California the last few years—from 14 reported cases in 1952 to 64 last year—strict bird control legislation was passed by the State Legislature in its last session. The new law requires the Department to appoint a nine-member advisory committee for the establishment of control regulations.

Dr. Malcolm H. Merrill, state health director, explained that parrot fever is a disease of man and birds, with man contracting the disease from infected birds.

The law requires a statewide identification and record keeping system of commercially sold parakeets through banding as a method of tracing sources of human cases to infected aviaries. It is also believed the control program will reduce widespread smuggling of infected birds into the state.

The State Board of Public Health at its December 9 meeting in Los Angeles will consider adoption of the bird control regulations. To maintain a self-supported control program as required by the law, the advisory group recommends that each manufacturer of bands pay to the State Health Department a fee of one cent for each official band sold.

Dr. Merrill said that the control legislation was proposed by the pet bird industry for the establishment of a program to reduce the possible development of a public health problem.

Members of the advisory committee include Jess Burkart, San Diego.

Achievement Awards Program Expanded By Bank Of America

An expanded Achievement Awards program offering outstanding California public and private high school seniors $44,900 in cash prizes was announced this week by Jesse W. Tapp, chairman of the board of directors of Bank of America.

For the first time in the program's eight-year history, cash awards will go not only to 124 finalists but also to 248 second and third-place winners in 31 zonal competitions. These new prizes will be $50 and $25, respectively, in each of four fields: science and mathematics, fine arts, liberal arts, and vocational arts. The additional awards are $9,300, bringing the total cash prizes to $44,900.

Top Awards

First-place winners at the zone level are assured automatically of minimum $100 prizes, plus an opportunity to compete next May in one of four regional finals, two in Southern California and two in Northern California. Top awards of $1,000, $500 and $250 in each of the four fields are made at all four of the finals.

"This year we expect participation by approximately 550 high schools having more than 125,000 seniors on their rolls," Tapp said. "In addition to the 372 cash awards there will be more than 5,000 trophy cups, certificates and ribbons.

"The purpose of the Achievement Awards program is to honor seniors whose records as students indicate most promise of future success and service to society," he continued. "While scholarship is very important it is not the only criterion; winners must also have demonstrated leadership, character, personality, regard for others and a sense of civic responsibility."

Faculty Committees

Next February, faculty awards committees at each school will pick pertificate and trophy-cup winners. At zone events in April — 16 in Northern and 15 in Southern California—panels of civic leaders will conduct group interviews of selected candidates and review their records, then name first, second and third-place winners in each of the four fields of study.

First-place zonal winners will advance to the four regional finals next May, with their selection for the top prizes again being made by panels of prominent citizens.

Tips on Touring

By Carol Lane
Women's Travel Authority

The "Flat Look" in women's styles may be on its way out, but the "Flat Look" of a flat tire is still with us. If your car gets a flat, you can't take it for granted that a Highway Prince Charming will come along and change it for you. In open country, you may not see another car for an hour.

It's better to adopt the Boy Scouts' motto and "Be Prepared." Before you leave home, take the jack out of the car . . . and learn to use it! The bumper jack has proven the easiest type for women.

If a flat tire occurs when you're driving, move off the highway as soon as possible and park on level firm ground. Put the hand brake on when you have stopped the car. If you are on an incline, wedge any good wheel with a rock to prevent the car from rolling. Then take your spare tire out of the trunk (before using the jack).

Place the jack under the bumper and begin to raise the car. If the car tends to slip, re-set the jack on a slight angle against the direction the car slips. Then elevate the car until the flat is just touching the ground.

Next, pry off the hub cap and loosen the wheel nuts. Continue jacking until the flat is one inch off the ground. Now, remove the nuts and the wheel. When you've replaced this wheel with your spare, partially tighten all nuts, lower the jack, and finish tightening all around.

If a flat tire occurs at night, be sure the tail light is on while you're changing the tire so oncoming cars can see you . . . and don't stand so you hide the light from approaching cars. A flashlight or trouble-light will come in very handy.

Lastly, remember that it can happen again . . . so, have your spare repaired or replaced without delay.

Several novels written in Ocean Beach started A. S. (Sid) Fleischman on his road to fame. He was in San Diego the past week visiting his parents while his picture "Blood Alley" was being shown currently.

Sid, for several years lived in Azure Vista and while there wrote "Shanghai Flame." He also wrote "The Strawberry Donkey Case" with the locale in Sunset Cliffs and San Diego. He was a reporter on the old San Diego Journal. At present he and Mrs. Fleischman and their three children reside in Santa Monica. Although he was here only two days this time, many of his friends managed to catch him or drop him a "hello" note.

Members of the Eastern Star will stage a Fall Fiesta Fashion Show at the Masonic Hall on October 21st at 2 p.m. Fashions will be furnished by an Ocean Beach style shop. Iris Van Saanen will act as fashion coordinator, with Molly Morse as commentator. Reservations may be made by calling Eva Storm at AC-3-6747.

Five years and one month ago, Mrs. Elsie R. Wall and daughter, Patsy Simmons moved to Azure Vista at 832 Cordova Dr., and now they are living at 2843 Jarvis St. in Point Loma.

Mrs. Belle Hinton of Akron, Ohio, was here last winter. She then returned to Ohio, disposing of her home there and is now here to stay, having purchased a home in the 4700 block on Narragansett Avenue. Living with her is her daughter, Mary Anne, from N. Y. Another daughter, Mrs. Warren Hutchinson, lives on Del Monte.

A home has been located for Mr. and Mrs. Joe Lownes and their prizze Angus cattle. A 27-acre ranch was purchased recently in Hemet by the Lownes. The ranch they formerly owned was in Chino.

The Edward Ramseys moved last week from the 800 block on Cordova to make their home in Alpine. Almost in the middle of the moving procedure Mr. and Mrs. Ramsey celebrated their 25th wedding anniversary, which called for a real family reunion.

Mr. and Mrs. Robert A. Maxwell and son Robert moved to the 1400 block on Sunset Cliffs Blvd., coming there from Pasadena. Mr. Maxwell was located here for over a year during World War II. He is a salesman for a pharmaceutical firm.

Beautiful homes are being erected in new subdivisions above Azure Vista overlooking the broad Pacific. At the far end of the new development it in turn is overlooked by homes near California Western University.

Mr. and Mrs. Herbert B. Hilton and five children, Penny, Terry, Cathy, Susan and Vicki are from Altadena. They are living in the 4300 block on Coronado Ave. The family came here expressly to avoid the smog.

Mr. and Mrs. Marvin W. Lundy and two children, Sharon and Steven, are finding new friends in a new area of Ocean Beach. They formerly resided at 934 Cornish Dr. and last week moved to 4437 Montalvo St.

Mrs. Edith Grus and daughter, Miss Dorothy, have moved from 3275 Ocean Front to their own home at 1085 Moana Dr. Mrs. Grus' son John is in Los Angeles and plans to make his home here later.

Mr. and Mrs. Joseph Leavitt and son Joseph came here from Brownsville, Texas. They have lived here before and now have purchased a home in the 1700 block on Redondo.

Iris Van Saanen will leave Ocean Beach near the end of this month She has accepted a position with the most exclusive women's store in Palm Springs.

Good news to hear is that Miss Vesta Petersen, principal of Ocean Beach Elementary School, will return to school late in October. She underwent surgery six weeks ago and recuperated at the home of her sister in Hemet.

Cecil Flowers, 2373 Seaside St., was due to return home yesterday from Scripps Memorial Hospital where he was operated on Saturday. He will recuperate at home for three weeks before returning to work.

Scouting With Pt. Loma Girls

Five interest groups emerged from the four consolidated 7th grade Girl Scout troops at Dana this fall. Each group meets weekly for a six-weeks period during which the girls work on proficiency badges toward First Class rank.

Six girls working on their horsewoman's badge have learned to post and to saddle and unsaddle a horse. After each lesson the group goes for a trail ride.

Ceramic leaves are current project of the Scouts in the pottery class, but, with Christmas approaching, the girls are looking forward to making gifts for the tree.

Salt Water Badge

Colored movies on sea life were shown recently to the Scouts interested in earning their Salt Water badge. Included in their schedule is a trip to the Audubon Society to see Sea Birds; a sea-food smorgasbord dinner, cooked and served by the Scouts; and an exploration trip to Bird Rock to observe tidepools for sea animals and plants.

The culmination of the study will be a visit to Oceanarium at Palo Verde in November. Mrs. Edwin Pumala is leader of this group.

Representatives from the four original troops who form the Court of Honor are: Judy Schultz, Clara Small, Linda Cleater, Jeanne Stock, Susan Sneed, Bernadene Miller, Janet Bateman and Lillian Hermann.

Clarke To Talk On Jealousy

"Jealousy is that point where mariarge ends and holy deadlock begins," John Robert Clarke will tell his audience in his lecture, "The Psychology of Jealousy," Tuesday, October 18, 8 p.m., at the House of Hospitality, Balboa Park.

Noting that recent decades have shown an increase in criminal violence due to jealous causes. Clarke will explore the nature of jealousy as a disease of the total personality. Observing that young people are often flattered by jealousy in those they wish to marry, Clarke warns that "if they knew the roots of jealousy, and saw ahead in the years to its criminal results, their delight would turn to dread. We have yet to distinguish between psychic tyranny and love that cherishes without smothering. Love is not the cause of jealousy, but the method of preventing it."

Now in its sixth fall series, "Adventures in Living" lectures inquire into the nature of human nature through the ages to the end of making kindness and understanding more contagious in our time. All lectures are open to the public and are followed by coffee and discussion period.

Anglers Haul In Barracuda, Bonito, Red Cod And Ling

Dirty water slowed up fishing at the Coronado Islands to some degree this week, but anglers made the most of their time while waiting for it to clear by taking good catches of barracuda and bonito at the La Jolla and Point Loma kelp beds and by filling their sacks with excellent catches of red cod and ling from the deeper water outside.

La Jolla and Point Loma remained in the spotlight by presenting good all-around catches, including some yellows although the latter proved wary and hard to get on the boat.

Largest yellow of the week proved to be a 25 pounder caught by Jimmy Frumento, Bell, but most of those taken were under 20 pounds, due to heavy loss of big fish which buried in the kelp.

Early this week, conditions appeared to be improving steadily at the Coronado Islands. Boats working the Rock Pile, 40 minutes running time below South Island, reported a good showing of yellows as well as some of the finest bottom fishing to be had. The big winter run of yellows began at the Rock Pile about this time last year.

Water temperature still was favorable for another good run of yellows and veteran fishermen predicted that it would develop when the water returns to the usual blue and currents straighten out.

Visitors to Oregon may drive the Columbia River Highway on both express and scenic routes, according to the National Automobile Club.

SANTA FE RAILWAY EXPANDS SERVICE

On October 1 Santa Fe Railway instituted expanded trailer-on-flatcar service between principal points in Northern and Southern California now served by the railway, it was announced at Los Angeles by R. S. Hirsch, freight traffic manager.

The new service, expansion of that announced previously, will cover a wide range of commodities and is designed to meet competing service including split delivery. In November, 1954, Santa Fe announced the establishment of trailer-on-flatcar service between Los Angeles and San Diego.

In May the company announced an extension of service to link Southern California and the Pacific Northwest via the San Joaquin Valley. Establishment of service between Southern California and points in Arizona and New Mexico, and El Paso, Texas, was announced by the company in July.
